Annexure - A

The tenderer shall furnish the following details with necessary enclosures along with the Tender

Sl No.	Particulars	Details to be furnished by the firm	YES/ NO
1.	EMD of Rs.4,09,554/- to be paid along with the tender in e-Procurement portal by following modes: i) Credit card ii) Direct debit iii) NEFT iv) Over the counter		
2.	The Tenderer should be a **Manufacturer** /Authorised Dealer of Submersible Pump and Submersible Induction Motor.	In case of a Dealer the firm should furnish the authorization letter obtained from their manufacturer in the format appended vide Annexure-"C".	
3.	The Tenderer should possess valid [i] IS:8034 / 2002 Certificate for Submersible Pump and [ii] IS:9283 / 2013 Certificate for Submersible Induction Motor.	(1) Certificate No..... and its (2) Validity ..... Copies of the certificates are to be enclosed.	
4.	a) The Tenderer should be a **manufacturer** who must have manufactured, and supplied the Submersible Pump and Submersible Induction Motor similar to the type, size and complexity as specified in the schedule of requirements (as per IS) to any Government/ Govt aided organizations (End user)upto at least cumulative 89Nos of deep well 100mm dia SMP's suitable for vertical installation in 150mm dia Borewell various capacity ranging from 3 HP 20 Stage to 7.5 HP 70 Stage of Submersible Pump and 348 Nos of deep well 150mm dia SMP's suitable for vertical installation in 150mm dia Borewell various capacity ranging from 5 HP 12 Stage to 20 HP to 40 Stage in any one of the last three years (i.e. 2020-21 to 2022-23). (Necessary supply orders, Performance Certificates and III party inspection certificates are to be enclosed). OR b) Tenders of tenderers quoting as authorized representative / agent of a **manufacturer** meeting with the above requirements in full, will also be considered provided; i. The manufacturer's authorization should be furnished in the prescribed format assuring full guarantee and warranty obligations as per conditions of contract. (ii) The tenderer as authorized representative, should have supplied satisfactorily to any Government/ Govt aided organizations (End user)at least cumulative	Particular year during which the stipulated supplies are made with details are to be furnished in Annexure-"B". Copies of supply orders and performance certificates (from the End user)/III Party Inspection Certificate of the respective relevant supply orders to any Government/ Govt aided organisations with detail description of the material supplied are to be enclosed, in the absence of which the tenders will not be considered for further evaluation. Joint Venture Tenders are not acceptable	

	33 Nos of deep well 100mmdia SMP's suitable for vertical installation in 150mm dia Borewell various capacity ranging from 3 HP 20 Stage to 7.5 HP 70 Stage of Submersible Pump and 131 Nos of deep well 150mm dia SMP's suitable for vertical installation in 150mm dia Borewell various capacity ranging from 5 HP 12 Stage to 20 HP to 40 Stage Submersible Pump and Submersible Induction Motor similar to the type, size and complexity specified in the schedule of requirements(as per IS) in any one of the last three years(i.e. 2020-21 to 2022-23).(Necessary supply orders, Performance Certificates and III party inspection certificates are to be enclosed).		
5.	In case of Micro & Small Enterprises tenderer should enclose relevant Certificate issued by Competent Authority in the absence of which the tenderers will not be considered for further evaluation. If the tenderer be a MSME Enterprises who must have manufactured, tested and supplied 100mm &150mm dia IS:8034/2002 Certificate for Submersible Pump and IS:9283/1995 Certificate for Submersible Induction Motor with its latest amendments up to at least 44nos and 174nos to any Government Organization (End user) in any one of the last two financial year(2021-22 to 2022-23).		
6	The tenderer (Manufacturer/ Dealer) should possess an average annual financial turnover of the tenderer should be Rs.273.07Lakhs during the last three preceding financial years (2020-21 to 2022-23). Based on G.O, for Micro & Small Enterprises the average annual financial turnover should be Rs.137.00 Lakhs during the last 2 preceding financial year (2021-22 to 2022-23).	Respective Balance sheets of only those Three financial years during which the turnover is more than Rs. 273.07Lakhs are to be enclosed along with a certificate issued by a Chartered Accountant.	
7.	The tenderer should demonstrate the availability of Liquid Assets and availability of Credit Facility of not less than Rs.82.00Lakhs (Credit Line/Letter of Credit/Certificates from Nationalized/Scheduled Bank).	Tenderer should submit the Banker's certificate invariably indicating tender No. and the prescribed amount.	
8	The tenderer shall demonstrate the Assessed Available Tender capacity as follows: (AxN-B) not less than supply of 100mm &150mm dia Submersible pumpsets per annum, Where, A- Licensed capacity for manufacturing of submersible pumpsets. N-Number of years prescribed for completion	Tenderer should demonstrate the Assessed Available Tender capacity and submit relevant documents towards A & B.	

	of supplies for which tender are invited. ie, 12months. B= Number of existing commitments to be supplied during the next 1 year.		
9.	The Tenderer should furnish test certificate issued by any NABL accredited testing Laboratory. And shall agree to all terms and conditions of the tender.	If not, the offer of the firm will not be considered for further evaluation.	
10.	The Tenderer should agree to all terms and conditions of the tender.	Yes/No. If not agreed, the tender will be rejected outright.

GENERAL TERMS & CONDITIONS OF CONTRACT:

1.	Tenders through e-Procurement Portal in two cover system, one for Technical Bid and the other for Financial Bid are invited for the supply of various capacity 100mm & 150mm dia submersible pumpsets conforming to IS:8034/2002 with submersible induction motors conforming to IS:9283/2013. **The eligibility for the Submersible Pumpsets offered is as below:-** i)The Submersible Pump Sets offered shall possess valid IS:8034/2002 with its latest amendments for the manufacture of the Submersible Pumps and IS:9283/2013 with its latest amendments for the manufacture of the Submersible Induction Motors. ii) Recent [April – 2021 onwards] Test reports for having conducted tests as per IS:8034/2002 for Submersible Pumpsets and as per IS:9283/2013 for submersible induction motors supplied by any 3rd Party Inspection Agencies. iii) The offered Submersible pumpsets as per IS:8034/2002 and submersible induction motors as per IS:9283/2013 shall possess certificate issued by any NABL accredited testing Laboratory. **The eligibility for the Bidders is as below:-** I. a) The Tenderer should be a manufacturer who must have manufactured, and supplied the Submersible Pump and Submersible Induction Motor similar to the type, size and complexity as specified in the schedule of requirements (as per IS) to any Government/ Govt aided organizations (End user)upto at least cumulative 89Nos of deep well 100mm dia SMP's suitable for vertical installation in 150mm dia Borewell various capacity ranging from 3 HP 20 Stage to 7.5 HP 70 Stage of Submersible Pump and 348 Nos of deep well 150mm dia SMP's suitable for vertical installation in 150mm dia Borewell various capacity ranging from 5 HP 12 Stage to 20 HP to 40 Stage in any one of the last three years (i.e. 2020-21 to 2022-23). (Necessary supply orders, Performance Certificates and III party inspection certificates are to be enclosed). b) Tenders of tenderers quoting as authorized representative / agent of a manufacturer meeting with the above requirements in full, will also be considered provided; i. The manufacturer's authorization should be furnished in the prescribed format assuring full guarantee and warranty obligations as per conditions of contract. (ii) The tenderer as authorized representative, should have supplied satisfactorily to any Government/ Govt aided organizations (End user)at least cumulative 33 Nos of deep well 100mmdia SMP's suitable for vertical installation in 150mm dia Borewell various capacity ranging from 3 HP 20 Stage to 7.5 HP 70 Stage of Submersible Pump and 131 Nos of deep well 150mm dia SMP's suitable for vertical installation in 150mm dia Borewell various capacity ranging from 5 HP 12 Stage to 20 HP to 40 Stage

	Submersible Pump and Submersible Induction Motor similar to the type, size and complexity specified in the schedule of requirements(as per IS) in any one of the last three years(i.e. 2020-21 to 2022-23).(Necessary supply orders, Performance Certificates and III party inspection certificates are to be enclosed). II. In case of Micro & Small Enterprises tenderer should enclose relevant Certificate issued by Competent Authority in the absence of which the tenderers will not be considered for further evaluation. If the tenderer be a MSME Enterprises who must have manufactured, tested and supplied 100mm &150mm dia IS:8034/2002 Certificate for Submersible Pump and IS:9283/1995 Certificate for Submersible Induction Motor with its latest amendments up to at least 44nos and 174nos to any Government Organization (End user) in any one of the last two financial year(2021-22 to 2022-23). III. The tenderer (Manufacturer/ Dealer) should possess an average annual financial turnover of the tenderer should be Rs. 273.07Lakhs during the last three preceding financial years (2020-21 to 2022-23). Based on G.O, for Micro & Small Enterprises the average annual financial turnover should be Rs.137.00 Lakhs during the last 2 preceding financial year (2021-22 to 2022-23). IV.The tenderer should demonstrate the availability of Liquid Assets and availability of Credit Facility of not less than Rs.82.00Lakhs (Credit Line/Letter of Credit/Certificates from Nationalized/Scheduled Bank). V. The tenderer shall demonstrate the Assessed Available Tender capacity as follows: (AxN-B) not less than supply of 100mm &150mm dia Submersible pumpsets per annum, Where, A- Licensed capacity for manufacturing of submersible pumpsets. N-Number of years prescribed for completion of supplies for which tender are invited. ie, 12months. B= Number of existing commitments to be supplied during the next 1 year. The last date & time for receipt of tenders is **.....**before 4:00P.M. The tendering will be in Electronic Mode submitted through e-Procurement Portal (www.eproc.karnataka.gov.in) as follows: The Technical Bid shall contain the following:- **1) TECHNICAL BID:** i) Annexure – A duly filled and signed ii)Valid IS Certification for manufacturing of Submersible Pumps and Submersible Induction Motors iii)Details of earlier supplies in format appended vide Annexure-B (copies of supply orders & performance certificate from the client /III Party Inspection certificate should be enclosed)

	iv)Annexure 'C' Manufacturer Authorisation Certificate (For dealers only). v) Turnover Certificate& Relevant Balance sheets. vi) Test certificates issued by any NABL Accredited Testing Laboratory. vii) Schedule B1 & B2 seal and signed. **2) FINANCIAL BID:** The rate for respective item shall not be quoted in the schedule B1 & B2. Schedule B1 & B2 must be uploaded with valid seal and signature. The rate shall only be quoted in the financial segment of e-procurement portal.
2.	Tenders received without E.M.D. will be rejected outright. The E.M.D. amount so deposited by the successful tenderer will be refunded only after submission of performance security in the form of irrevocable Bank Guarantee issued by a Nationalized/ Scheduled Bank, in a sum equivalent to **5%** of the contract value of submersible pumpsetsas per **Clause-17** of the tender. The E.M.D. of the unsuccessful tenderer will be refunded after the award of the work to the successful tenderer. The E.M.D. so remitted by all the tenderers will not bear any interest.
3.	The Technical Bids will be opened by the Chief Engineer (Project) on **.....** 12:00 noon in the presence of the firms' representatives/authorized agents, who may be present at that time. If, for any reason, the tender cannot be opened on the said date and time, the next date and time of opening will be intimated to the representatives present.
4.	The submission of tender by the tenderer implies that he has read the terms and conditions of contract and made himself aware of the scope and specification of the submersible pumpsets.
5.	**Validity:** The tenderer should keep his offer valid at least for a period of 90 days from the date of opening `and if necessary for a further period as desired by the Chief Engineer(Project), BWSSB, 3rd Floor, Cauvery Bhavan, Bangalore-560009.
6.	**Agreement Clause:** a) The enquiry along with the appended schedules shall form part & parcel of the agreement, which is executed after acceptance of the tender. b) Agreement in the prescribed format shall be executed between successful tenderer and the Chief Engineer (Project), BWSSB, 3rd Floor, Cauvery Bhavan, Bangalore-09 within 21 days from the date of communication of approval of his/their tender, failing which the E.M.D. shall stand forfeited.
7.	**Rates to be offered:** a) The rates should be legibly uploaded in Figures for supply of 100mm and 150mm dia Submersible Pumpsets respectively. b) The rates quoted for the supply of various capacity 100mm & 150mm dia submersible pumpsets should be inclusive of GST, transit insurance, transportation, unloading, stacking etc., FOR at Stores, Malleshwaram, Bangalore. c) In case of any concession, exemption or refund of duty is applicable to the above supplies, which are to be passed on to the purchaser, the supplier shall consider the above in his offer and specifically mention such benefits in the technical offer. In case to any such levies which are exempted / refundable which are not to be passed on, these details shall be furnished in the technical

	offer. d) The rates quoted shall remain "Firm" for the entire period of One year and the Supplier shall not be entitled for any enhancement in the rate on account of rise in the price of raw materials, electricity tariff, diesel, oil, statutory levies etc., or for any other reason whatsoever. e) Each Submersible Pumpset of various capacity is considered as a distinct item and the lowest rates received for each Submersible Pumpset will be considered during evaluation of the tender and the Supplier is bound to Supply Such Quantity of various dia Submersible Pumpsets at the Lowest received throughout the Contract period. f) The Supplier shall be entirely responsible for all GST, entry tax, 3rd party inspection incurred until the delivery of Submersible Pump sets to FOR at Stores.
8.	**Evaluation of the Tenders:** a) The evaluation of the tender will take into account, all inclusive of the basic price, GST, III part Inspection charges, transportation charges, transit insurance and other costs which are incidental to the delivery of the Submersible Pump Sets FOR stores. c) In Case if L1 rates are offered by more than one firm, then the L-1 firm will be decided by means of Lucky draw.
9.	**Delays in the supplier's performance:-** i) The maximum time allowed for completion of the supplies will be indicated while placing of individual supply orders and the supplier shall regularly intimate the progress of supply of the purchaser regarding the quantity offered for inspection and date. ii) The Supply Schedule should be promptly adhered to. iii) If, at any time, during performance of the contact, the supplier should encounter conditions impeding timely delivery of the goods and performance of service, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its causes. As soon as practicable after receipt of the supplier's notice, the purchase shall evaluate the situation and may, as its discretion extend the suppliers time for performance with or without liquidated damages. iv) Except for the delay in an event of Force Majeure [an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable] a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to be imposition of liquidated damages, pursuant Clause -10 unless an extension of time is agreed upon pursuant to Clause-9[iii] without the application of liquidated damages.
10.	**Liquidated Damages Clause:-** Failure on the part of the supplier to make supply as per the Supply Schedule indicated will be construed as breach of contract, and the purchase shall deduct from the contract price, as Liquidated Damages, a sum equivalent to 0.5 % of the delivery price of the delayed goods for each week or part thereof of delay until actual delivery, up to maximum deduction of 10% of contract price, once the maximum is reached, the Purchaser may consider termination of the contract.

11.	**Termination for Default:-** [i] The purchaser may without prejudice to any other remedy for breach of contract by a written notice of default sent to the suppliers, terminate the contract in whole or part:- [a] If the supplier fails to deliver any or all the goods within the period specified in the contract or within any extension thereof granted by the purchaser pursuant of **Clause-9**. [b] If the supplier fails to perform any obligation under the contract. [c] [i] If the suppler in the judgment of the purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the contract. [ii] In the event purchaser terminates the contract in whole or part pursuant to **Clause - 11 [i]** the purchaser may procure up on such terms and such manner as it deems, appropriate, Submersible Pump Sets similar to those undelivered and the suppler shall be liable to the purchaser for any excess stock for such similar Submersible Pump Sets. However, the supplier shall continue the performance of the contract to the extent not terminated.
12.	**Termination for Convenience:** [i] The purchaser by written notice sent to the supplier may terminate the contract in whole or in part, at any time, for its convenience. The notice of termination shall specify the termination is for the purchaser convenience, the extent to which performance of the supplier under the contract is terminated and the date upon which such termination becomes effective. [ii] The Submersible Pumpsets that are complete and ready for dispatch within 30 days after the suppliers receipt of notice of termination shall be accepted by the purchaser at the contract Terms and prices for the remaining quantity of Submersible Pump Sets the purchase may elect:- [a] to have any portion completed and delivered at the Contract Terms and prices and /or [b] to cancel the reminder and pay to the supplier an agreed amount for partially completed Submersible Pumpsets.
13.	**Guarantee Clause:-** [i] The submersible pumpsets shall be warranted for a period of 12 Months for trouble free performance from the date of installation or 18 months from the date of supply whichever is earlier. [ii] In case, if the submersible pumpsets supplied are not in accordance with the specification or if the same are received in damaged condition, the supplier shall take back such pumpsets and replace them with new one within a week's time duly tested at their factory without any additional cost of the Board. [iii] The supplier shall be responsible for any losses, destructions, damages and deterioration of the Submersible Pumpsetswhile in transit. [iv] Embossing : The Successful Tenderer should agree to emboss. [a] Brand name, Serial No., Date of Manufacture, HP and No.of stages on the Pumps. [b] Brand name, Serial number, Date of Manufacture, Rated output in kW & No.of Phases on the Motors. [c] BWSSB on both Pump and induction Motor
14.	**Insurance:** Submersible Pumpsets to be supplied shall be fully insured in Indian Rupees against loss or damage incidental to manufacture or acquisition , transportation, storage and delivery of submersible pumpsets at site, the insurance shall be

	obtained by the Supplier from FOR Works to FOR Divisional Stores, Malleshwaram, on "ALL RISKS " basis including war risks and strikes and this cost should be included in the offered price.
15.	**Mode of Payment:-** [a] 100 % payment shall be made within 60 days after the receipt of Submersible Pumpsets at Divisional Stores, CJF Malleshwaram along with invoice copies, factory inspection report and after receipt of satisfactory Test Certificate of the III Party Inspection Agency. [b] All payment will be made in Indian Currency. [c] No alteration s/ modification in the mode of payment is acceptable
16.	**Inspection & Testing :-** The Tenderer should have facilities to conduct Tests on Submersible Motor &Pumpsets at their factory & Testing of the Submersible Motor Pumpsets will be carried out by aIII Party Inspection Agency appointed by the Board & the cost towards Testing charges should be included in the offered price.
17.	**Performance Security:-** Within 20 Days of the receipt of individual supply order issued by the Purchaser, the tenderer shall furnish a Performance Security in the form of Bank Guarantee in a sum equivalent to 5% of the value of the supply order and an additional BG for the unbalanced amount if the bid is unbalanced. If not, the EMD deposited by the tenderer shall be forfeited. The performance security shall be valid upto Guarantee period as per Tender Clause (13) & after satisfactory completion of performance obligation in a complete manner, the purchaser shall refund the performance security.The Security Deposit shall not bear any interest.
18.	**Legal Clause:-** a) Conditional offers are rejected outright b) The Engineer in Chief reserves the right to accept or reject any or all tenders without assigning any reason whatsoever. Even if the Tenderer meets all the eligibility and qualification criteria his tender shall be summarily rejected, if he is found to have misled or made false representation in the form of any of the statements submitted in proof of the eligibility & qualification requirement or if he has a record of poor performance such as abandoning the supplies, not properly completing the contract, inordinate delays in completion, litigation history or financial failures, etc. c) In case of any disputes arising out of this contract, the decision of the Chief Engineer (Project) is final on both the parties. d) The contract shall in all respects be construed and operative as per Indian Contract Act, Sale Of Goods Act-1930 and in conformity with Indian Law and is subject to the jurisdiction of Bangalore City Civil Courts only. e) The enquiry along with the appended schedule shall form part and parcel of the agreement, which is executed after acceptance of the tender. f) Regarding the assessment of quality and performance of the Submersible pumpsets the decision of CE(Project) shall be final.
19.	The tenderer should invariably fill in the Annexure –'A' and 'B' appended to the Technical Bid affixing their seal and signature.

MANUFACTURER'S AUTHORIZATION FORM

No..... Date : .....

To,
The Chief Engineer(Project)
BWSSB, 3rd floor, Cauvery Bhavan
Bangalore- 09.

Dear Sir,

Tender No. BWSSB/CE(P)/ACE(cstr&DCW)/TA-2/483/2023-24 Dtd:04.07.2023

We, ... who are established and reputable manufacturers of Submersible Pump and Submersible Induction Motor conforming to IS:8034 / 2002 Certificate for Submersible Pump and IS:9283 / 2013 Certificate for Submersible Induction Motor with its latest amendments having factories at .....(address of factory) do hereby authorize M/s ..... (Name and address of Agent) to submit a tender and sign the contract with you for the goods manufactured by us against the above Tender No.BWSSB/CE(P)/ACE(Cstr & DCW)/TA-2/483/2023-24 Dated:-04.07.2023

No company or firm or individual other than M/s .... are authorized to tender and conclude the contract for the above goods manufactured by us, against Tender No.BWSSB/CE(P)/ACE(Cstr & DCW)/TA-2/483/2023-24 Dated:-04.07.2023

We hereby extend our full guarantee and warranty as per General Terms and Conditions of Contract for supply of Submersible Pump and Submersible Induction Motor conforming toIS:8034 / 2002 Certificate for Submersible Pump and IS:9283 / 2013 Certificate for Submersible Induction Motor with its latest amendments by M/s ..... against Tender No.BWSSB/CE(P)/ACE(Cstr & DCW)/TA-2/483/2023-24 Dated:-04.07.2023

Your's faithfully,

(Name of the Manufacturer)

Note :

This letter of authority should be on the letterhead of the manufacturer and should be signed by a person competent and having the power of attorney to legally bind the manufacturer. This should be included by the Tenderer in their tender.

SCHEDULE-B1

Sl.No	Item Description	Unit	Qty	Unit Price in Rs. (in Figures)	Amount in Rs.
